

PROFESSIONAL CERTIFICATIONS:

Information Technology Specialist – Databases –

Issued by Batangas State University ARASOF-Nasugbu,

May 2024

This certification demonstrates my proficiency in designing, managing, and querying databases. It includes knowledge of relational database concepts, table creation, SQL queries (SELECT, INSERT, UPDATE, DELETE), data integrity, normalization, and basic database administration. It shows that I can handle structured data efficiently and support applications that require reliable data storage and retrieval.

Microsoft Word (Office 2019)

Issued by Innovative Training (I.T.) Works, Inc.,

December 2022

This certification validates my proficiency in Microsoft Word, specifically the 2019 version. It demonstrates my ability to create, format, and manage documents efficiently, use advanced features like tables, styles, mail merge, and collaborate with others using Word. It shows my foundational office productivity skills necessary in professional and academic settings.

Ahly Monzour Hernandez Babar

has successfully completed the certification requirements for

Data Analytics

A handwritten signature in blue ink, appearing to read 'G. A. Gates', written over a horizontal line.
